## MESSAGE

Dear Valued Clients,  
Namaste!

Empire International Pvt. Ltd was set up around a decade ago with the core: belief of offering true customer-focused recruitment solutions to the need of our diverse clients in the field of recruitment from Nepal. I, as Executive Director of this company, believe that beginnings are always complex, whether at personal business levels or corporate levels. Consequently, we work hard to overcome all difficulties that may impede our way, because success has always been our key objective since the beginning of our establishment and this positions us at the center of the vast world of business.

Strategic planning is the key factor for the success of any business. We earn the communities trust and reliability by setting our priorities towards serving the community of all social groups and classes; as their satisfaction is the basis of our success. With a team of highly educated, dedicated and knowledgeable employees backed by an office having ultra-modern facilities and located nearby Tribhuvan International Airport in Kathmandu we have been able to establish our brand name amongst others in Nepal's foreign employment business. A strong focus on customer service is what differentiates Empire International Pvt. Ltd from other companies and helps us to ensure our long-term growth and success.

We take great pride in our collaborative approach and proven techniques in delivering high impact in the field. The results have been not only a successful company in a short period but more importantly a strong foundation of client partnership that has turned into a long friendship with them. We have been successful in every step that was notable for us to seek to expand the scope of our work and to expand globally. After studying the world's most important economic regions, we are in the process to establish our offices there, so we can provide our best services to the largest possible number of the increasing population.

The business world has become enormous and highly competitive, therefore, there will be, survival for the best not for the strongest. We aim to be the best service provider in the eyes of our clients which is the ultimate goal of our eternal success.

With Best Regards

## MESSAGE

Dear Valued Clients,

Greetings!

Empire International Pvt. Ltd. Came into inception with a mission to redefine the human resources. We walked a long miles but with the single point vision to have the best resources having the quality & quantity together.

We believe that people make us what we are. We still strive to provide an environment to people that is professional where they could grow personally and professionally with the organization.

We in a group represent unity in diversity for the people from different backgrounds and culture with simple minded purpose to grow along with others. We also believe in treating each other and our distinguished customers with dignity i.e. with trust & transparency & respect & welcome the thoughts & proposals.

We are opened to each other in dealings with our employees & customers; we believe that long term relationship is built with transparency. Hence we are informal, get disciplined. We do not allow formality to come under the treatment of issues related to our employers and customers.

In all our actions as a proud and as individuals, representing this pro we maintain integrity both in financially and professionally. Trust and honesty in our each action between us, our customers and our stake holders. We always role on challenges with taking them and competing them in an sufficient way with extreme ability and determination.

Our commitment is presently by is in whatever we do to the institution that we present our customers and employees. Each one in my organization takes his own entrepreneurship and ensures us that the work handed over to them in is complete with self-commitment.

At last I would say that we act as one family with Teamwork, Loyalty, Integrity, Commitment, Diversity and Dignity to the organization and costumers which differentiate us in the market. Here I remain with a commitment to deliver.

With Best Regards

## Orientation

Empire International provides targeted (country/industry specific) and general orientation courses, as required by government, to all candidates bound for overseas employment. The primary objective of providing cost effective orientation is to ensure safety, security, and well being of all workers during their employment overseas. In addition, the candidates are also orientated on necessary life-skills, country and culture specific information, and expected attitude required during the period of employment overseas.

Our in-house orientation facility comprises of a large and spacious venue with classroom style seating supported by complete AV system and government certified trainers.

We currently use orientation curriculum designed and developed by the government. Some of the areas covered by the curriculum include occupational safety & security, information about the country, culture, employer, multicultural workplace, and scope of individual employment contract.

## ORIENTATION

Triple S Orientation is equipped with modern facilities such as hi-tech Audio Visual and office automation system to facilitate a meaningful orientation prior to the workers deployment overseas.
